September 10 – Audition application deadline
October 9 – Audition date

New in 2010

1. The printed *Auditions Book* has been replaced with this manual. There are four different manuals – one for each type of audition (Chorus, Wind and Percussion Instruments, String Instruments, and Jazz Band). All manuals are available only as PDF files – Adobe Reader is required. Manuals are included on the 2010 Auditions CD and are on the NMEA website – www.nmeanebraska.org.
2. The All-State computer program has been redesigned for 2010. The program replaces all forms used in previous years, including student applications, eligibility forms, the director's information page, membership form, registration form, etc. Use only 2010 forms.
3. All music used for instrumental auditions (Band, Jazz Band, and Orchestra) will be found on the Auditions CD. All music is available as PDF files. **The red “Ballenger Etudes and Jazz Etudes for even and odd years” book is out of date and should not be used. Wind, percussion, and string instruments auditioning for the All-State Band and Orchestra will use newly composed etudes. These new etudes are identified as Set C and are available on the NMEA website and on the Auditions CD.**
4. New audition materials for the Jazz Band's rhythm section were adopted in 2008. The new materials will be found on the Auditions CD and on the NMEA website. Do not use the etudes found in the red *Ballenger Etude Book*.
5. The fee for applications completed using the computer program and sent by e-mail is \$20.00 each. The fee for applications sent through the U. S. mail (paper forms) is \$30.00 each.
6. Please be sure to read the NMEA policy regarding student's attendance at All-State rehearsals. That policy is printed on page 4. The rehearsal schedule is printed on page 7.
7. This year's deadline for submitting All-State applications is Friday, September 10, 2010. There will be a 14 day grace period following that application deadline (until September 24, 2010). Applications will be accepted during those 14 days, upon payment of a \$20.00 late fee. (The \$20.00 late fee applies to each application that is sent after the September 10 deadline. All late fees are in addition to the original application fee.) Applications submitted after the 14 day grace period will not be accepted.
8. Changes in voice classification or instrument may be made during the 14 day grace period (until September 24, 2010) upon payment of a \$5.00 processing fee. Any changes in voice classification or instrument made after the 14 day grace period will incur a \$20.00 processing fee.
9. All students who audition on FLUTE will have the option of auditioning on piccolo as well. Indicate that interest by choosing the “Flute and Piccolo” option on the application form. All students choosing that option will play the regular audition on flute; they will then play an additional excerpt on piccolo. All music is on the Auditions CD.
10. All students who audition on OBOE will have the option of auditioning on English Horn as well. Indicate that interest by choosing the “Oboe and English Horn” option on the application form. All students choosing that option will play the regular audition on oboe; they will then play an additional excerpt on English Horn. All music is on the Auditions CD.
11. A pianist is needed for the 2010 All-State Orchestra and the 2010 All-State Band. All students auditioning for these positions will play an audition consisting of a major scale, the chromatic scale, and two excerpts. All music is on the Auditions CD.

INTRODUCTION

This manual includes information about the auditions for the string section of the NMEA All-State Orchestra. (Please refer to the other manuals for information about auditions for the All-State Chorus, Band, Jazz Band, and the wind & percussion sections of the All-State Orchestra.) This manual contains copies of all forms needed to complete auditions, memberships, and conference registrations. However, NMEA strongly recommends that you use the All-State computer program found on the Auditions CD to complete these forms.

NMEA Conference/Clinic Date and Purpose

The Nebraska Music Educators Association (NMEA) In-Service Conference/Clinic will be held at the University of Nebraska-Lincoln November 18-20, 2010. The pre-registration fee for NMEA members is \$75.00. The on-site registration fee is \$85.00. All NMEA member registrations include a complimentary banquet ticket; however, the banquet ticket must be requested. Please request a banquet ticket on the Information Page/Registration Form (Page 14).

The primary purpose of the NMEA In-service Conference/Clinic is to provide a professional in-service program for Nebraska student musicians and music teachers that cannot be provided at the local school district level. An elected executive board works throughout the year to arrange for nationally acclaimed clinicians, composers and music authorities to be on hand at this time. Every effort is made to balance the program so that there are interest sessions for music teachers at the elementary, middle/junior high, high school and college levels in both instrumental and vocal music areas. Four clinicians are selected to conduct the All-State Band, Orchestra, Jazz Band, and Chorus.

NMEA ALL-STATE STUDENT REHEARSAL POLICY

Students in NMEA clinic groups are required to attend all rehearsals and the final concert performance with the following exceptions:

1. A student who plays on a state championship football team and is in an All-State ensemble will be allowed to miss one rehearsal to play in his school's state football championship game. The one missed rehearsal cannot be the final dress rehearsal. Instrumentalists with this conflict cannot be considered for first chair placement in any of the All-State instrumental ensembles. Choir members may not be considered for a solo in the All-State Chorus.
2. Absences from any rehearsals because of an emergency reason will be considered on an individual basis to be determined by the respective clinic group chairman and the NMEA President.

Note: It is expected that all students actively participate in rehearsals. If a student cannot participate in a rehearsal due to illness it is considered a missed rehearsal.

No one will be allowed to miss more than one rehearsal session for any reason as outlined above. Any student(s) in violation of this policy will be dismissed from the clinic group and will not be allowed to perform in the final concert.

Regardless if students stay in their own homes or a hotel, it is the director's responsibility to get their students to All-State rehearsals on time. NMEA will not be responsible for contacting any students absent from rehearsal.

PLEASE BE AWARE THAT...

- Any student selected to sing the National Anthem at the NSAA State Football Playoffs may be excused from All-State rehearsal 30 minutes prior to the start of the game. The student is expected to return to the All-State rehearsal immediately after the performance if the All-State rehearsal is still in progress.
- Any student who is a member of an ensemble performing as an "NMEA Performance Group" during the conference/clinic may be excused from All-State rehearsal 30 minutes prior to the start of the performance. The student is expected to return to the All-State rehearsal immediately after the performance if the All-State rehearsal is still in progress.
- Any student who is a member of an ensemble performing as a demonstration group during the conference/clinic may be excused from All-State rehearsal 15 minutes prior to the start of the performance. The student is expected to return to the All-State rehearsal immediately after the performance if the All-State rehearsal is still in progress.

Confirmations

Every director who submits All-State applications will receive a confirmation. This confirmation will be sent by e-mail to the address that submits the applications. If you wish confirmation sent to other addresses (for example, all music teachers at your school) please include those addresses in the Cc: box when submitting the e-mailed applications. The confirmation will list all students whose applications have been received, along with the student's voice classification or instrument. *It is the director's responsibility to check the accuracy of the information on this confirmation and contact the Secretary/Treasurer to correct any errors.* Changes in a student's instrument or voice classification made after the September 10 deadline will be made upon payment of a processing fee. Please see page 3 (New in 2010, items 5, 7 and 8) for details of the All-State deadlines and fees.

Notification of Acceptance

- Notification of acceptance into an All-State ensemble will be made on a special web page. Directors of all students auditioning will be sent the web address and the dates the results will be posted. Students who audition will be notified of acceptance or non-acceptance by their director.
- Students selected for the All-State Orchestra will receive their placement and music prior to the event.

All-State Student Contracts

- Selection to prestigious All-State ensembles carries with it an implied level of maturity. Therefore, each student will be expected to complete and sign a participant's contract and medical release form indicating his/her agreement to fulfill all responsibilities. **Contracts will be sent to directors at the time of notification of acceptance into All State ensembles. It is the director's responsibility to make sure that each contract is completed by the student and their parents, notarized and returned to NMEA. Contracts must be returned to the NMEA Secretary/Treasurer by November 5th.**
- **All participating schools and their directors are responsible for the behavior and well-being of students selected for the All-State ensembles.**

Housing information

Director's tickets to the All-State final concerts

Registration for the 2010 NMEA In-service Conference/Clinic does NOT include a complimentary ticket to either All-State final concert. NMEA members **who register for the conference by November 1** will receive a personalized ticket order form. That form must be returned to the Lied Center box office and the tickets will be sent to you by mail. The tickets for pre-registered NMEA members will be offered at a discounted price of \$6.50 each. Because of the high demand for concert tickets, NMEA members will only be able to purchase two tickets to each concert during this pre-sale. Additional tickets must be purchased from the box office when the tickets are offered to the general public. To take advantage of this offer, the NMEA member must be pre-registered and must return the order form to the box office. All NMEA members not participating in this pre-sale must purchase tickets at the box office at the regular \$13.00 rate. Anyone registering at the conference will be able to purchase concert tickets at the box office, if they are still available. (All ticket orders will include an additional facility use fee.)

Frequently Asked Questions

Q. What is the deadline for submitting All-State applications?

A. The deadline is September 10, 2010. Please refer to the detailed information about deadlines printed on page 3 (items # 7 and 8).

Q. I can't get a school check issued in time to make the deadline. What should I do?

A. A school purchase order is acceptable.

Q. Must I fill out the "Information Page – Registration Form" (Page 14)?

A. YES! This page is required of every teacher who has students auditioning for All-State. However, you can eliminate the need for all forms by using the All-State Auditions CD.

Q. Where do I send my auditions, forms, checks, etc.?

A. Send all materials to the NMEA Secretary/Treasurer, PO Box 101, Oakland NE 68045-0101. Do not send this material to MENC!

Q. I am joining/renewing my MENC/NMEA membership. Do I send the membership form and payment to MENC in Reston, Virginia?

A. No. Please send ALL materials, including the membership form, to NMEA, PO Box 101, Oakland, NE 68045-0101. Sending all forms to this address will eliminate confusion and delays in processing your membership.

Q. What is my audition site?

A. Check the list on page 11 to determine your site. Any school wishing to change their audition site should contact the NMEA Chair of Auditions, Matt Sheppard (mvsheppard@cox.net), for approval BEFORE sending in their audition forms.

Q. May students audition at an alternate site because of special situations?

A. Yes, but be sure to request prior approval from the NMEA Chair of Auditions, Matt Sheppard (mvsheppard@cox.net). Generally, all students from a school are expected to audition at the same site. Exceptions may be granted for special circumstances such as testing, music contests, etc.

Q. I have received my schedule and I have students missing, or needing a time change, or I would like to report cancellations. Who do I contact?

A. Contact the chair at your audition site (see page 10 for audition site chair information). If necessary, the site chair will pass your concern on to the appropriate member of the NMEA Executive Board.

Q. I have students auditioning for All-State. Must I send in my in-service conference/clinic registration now?

A. No. Your NMEA/MENC membership must be currently active. Registration may be completed anytime before the registration deadline (November 10). Registration may also be completed on site at the in-service conference/clinic.

Q. My MENC/NMEA membership expires this fall, before the dates of the in-service conference/clinic. Must I renew my membership at this time and include it with my All-State application forms in order for my students to be eligible for All-State?

A. You must be a current MENC/NMEA member for you or your students to participate in any All-State activities — auditions or the conference/clinic. Your membership must be active for the month of October to participate in All-State auditions and it must be active for the month of November to participate in the All-State ensembles and the conference/clinic. NMEA recommends that your membership payment be included with your All-State forms and sent to the Secretary/Treasurer by the **September 10 deadline**. This allows for the most efficient handling of the All-State applications and your membership renewal.

Q. I have misplaced my copy of The Complete Ballenger Etudes and Jazz Etudes. Where do I get a replacement copy?

A. Do not use the Ballenger etude book – it is out of date. All music is on the 2010 Auditions CD. All instrumentalists should use the audition etudes labeled "Set C". The correct etudes and scales are also on the NMEA web site.
